## FOREWORD

The Department of Livestock Services (DLS) has been annually publishing "Livestock Statistics of Nepal". This publication reflects the overall status and performance of the livestock sector in Nepal. It summarizes basic information of the livestock population, their primary products, and livestock trade. Many variables have also been extracted from the publication of other national agencies.

I would like to express my sincere thanks to all the provincial Directorates of Livestock and Fisheries Development, and other organizations who have shared their primary data to make this publication possible. The Livestock Statistics Management and Economic Analysis Section under the Department of Livestock Services deserves special thanks for its efforts in data compilation for this publication. I highly appreciate Mr. Shyam S.Yadav, Livestock Development Officer particularly for his excellent work in data tabulation, processing, and triangulation for this publication. I equally acknowledge Dr. Namrata Singh, Deputy Director-General, Department of Livestock Services, and Animal Genetic Resources & Economic Analysis Division for her remarkable efforts in bringing out this publication in this form.

I would also like to extend my sincere thanks to Dr. Nabin Ghimire, Senior Livestock Development Officer, Ministry of Agriculture and Livestock Development, Dr. Chandra Dhakal, Senior Livestock Development Officer, Department of Livestock Services, and Dr. Jagadish Pandeya, Senior Livestock Development Officer, National Livestock Resource Management and Promotion, and Dr. Manoj Kumar Shahi, Veterinary Officer, Department of Livestock Services for their contribution in analysis and triangulation of the data of the population of livestock and their production.

I believe that this publication will serve as an official source of livestock statistics for policymakers, farmers, academia, business and industries and other related stakeholders. Data and indicators available in this publication can also help researchers as a basis for their analysis.

I look forward to receiving your valuable comments and suggestions for further improving our future publication.

## PREFACE

“Livestock Statistics of Nepal” is a comprehensive publication that is presented by encompassing updated data and information relating to the Nepalese livestock sector. This will be useful to both the governmental and non-governmental sectors for livestock program planning, monitoring, and policymaking. It can also feed baseline information for the formulation of food and nutrition security programs.

This publication has been prepared based on the information received from various sources: Directorate of Livestock and Fisheries Development in the provinces, offices under the directorates, and yet other government and non-governmental organizations working in the livestock sector. In addition, various reports and articles published by relevant stakeholders have also been considered as sources of information.

The Animal Genetic Resource and Economic Analysis Division is very grateful to all the stakeholders for their contribution in preparing this publication. We would like to extend our sincere appreciation to Mr. Shyam S. Yadav for his constant efforts in data compilation, triangulation and finally bringing the publication in this format.

We must also thank Dr. Nabin Ghimire, Senior Livestock Development Officer, Ministry of Agriculture and Livestock Development, Dr. Chandra Dhakal, Senior Livestock Development Officer, Department of Livestock Services, and Dr. Jagadish Pandeya, Senior Livestock Development Officer, National Livestock Resource Management and Promotion, and Dr. Manoj Kumar Shahi, Veterinary Officer, Department of Livestock Services for their contribution in analysis and triangulation of the data of the population of livestock and their production.

We welcome constructive criticism and suggestion from the users of this publication for us to improve the quality of the work in the days to come.

June 2021

  
Dr. Ram Nandan Tiwari  
Deputy Director-General

## **DEPARTMENT OF LIVESTOCK SERVICES**

### **Background**

Department of Livestock Services (DLS) under the Ministry of Agriculture and Livestock Development is committed to accomplishing all kinds of programs and activities related to livestock development promotion and services in Nepal. The Livestock sector contributes about 13 and 27 percent to GDP and AGDP respectively.

Department of Livestock Services started its activity from a veterinary dispensary in 1939 AD. In 1966 AD, the department was named as Department of Livestock Development and Animal Health. Livestock development programs like animal production, animal health, animal nutrition, breeding, management, and livestock extension were implemented through this department. In 2049 BS, DLS was merged in the Department of Agriculture (DOA). However, due to managerial complexities, in 2052 BS, the DLS separated from DOA. As per the decision made by the Government of Nepal dated 2075/03/32, the DLS is part of the Ministry of Agriculture and Livestock Development in the federal framework.

### **Goal**

The overall goal is to contribute to poverty reduction in the country through livestock development.

### **Vision**

To make food sovereign and prosperous Nepal through sustainable livestock development under the Ministry of Agriculture and Livestock Development.

### **Objectives**

- To Increase livestock production and productivity and eliminate the problem of malnutrition.
- Improve the economic and social condition of the poor, socially disadvantaged people and women through improved livestock farming.
- Develop and improve existing livestock farming as the main income source of the farm family and help in maintaining ecological balance and conservation.
- Extend disease control services for security and conservation of livestock and public health.

- Assist in the production of livestock, products which are exportable and import substitutable.
- Involve private sectors in commercial livestock farming; resource center development and conservation; and market management.
- Increase self-employment opportunities by encouraging livestock sector and livestock-based industry and trade.
- Extend quality control services in favor of the livestock sector, livestock industries, and the consumers.
- Identify, conserve, promote and develop the indigenous livestock breeds which are going to be extinct.

### **Strategies**

- Produce vaccines within the country.
- Involve private sectors in animal treatment and technical consultancy services.
- Control and eradicate epidemic animal diseases.
- Provide animal disease diagnostic services.
- Conduct survey and surveillance of animal diseases.
- Apply quality control system in veterinary medicines and vaccines.
- Implement animal quarantine services effectively.
- Control zoonosis diseases.
- Activate Slaughterhouse and Meat Inspection Act and assist in the establishment and running of the slaughterhouse by private sectors.
- Control and retain quality in livestock treatment services provided by the private sectors
- Modernize animal health services according to the standard of OIE and WTO.
- Establish Nucleus herds of improved animals and center of foundation seeds of grasses in the livestock farms and distribute them to resource centers of the districts.
- Manage quality control system for livestock feed and raw materials used in feed.
- Increase the supply of pastures and fodder by making the community and leased forest available to the users' group.
- Make use of community pasture land through user groups and increase its productivity.

- Involve private sectors in the production and marketing of quality grass seeds.
- Assist to establish livestock markets in feasible places by providing necessary technical and infrastructural supports and insist private sectors operate.
- Organize training, workshops, seminars related to the Livestock Services.
- Develop and revise the syllabus of the training, assess the need for the training.

## **ANIMAL GENETIC RESOURCES AND ECONOMIC ANALYSIS DIVISION**

Following the Constitution of Nepal issued in 2072 BS, the country entered into federalism. Numerous Government institutions have been restructured following the decision made by the Government of Nepal dated 2075/03/32. In the federal framework, the Animal Genetic Resources and Economic Analysis Division is part of the Department of Livestock Services, Ministry of Agriculture and Livestock Development.

Livestock Industry Business Promotion Section, Livestock Statistics Management and Economic Analysis Section, and Fisheries Promotion and Conservation Section are the three sections of the Division.

### **Organizations**

Under the DLS, there are the following federal government organizations:

1. Central Referral Veterinary Hospital, Kathmandu
2. Central Veterinary Laboratory, Kathmandu
  - A. Veterinary Laboratory, Biratnagar.
  - B. Veterinary Laboratory, Janakpur
  - C. Veterinary Laboratory, Pokhara
  - D. Veterinary Laboratory, Surkhet
  - E. Veterinary Laboratory, Dhangadhi
3. National Vaccine Production Laboratory, Kathmandu.
4. Veterinary Standards and Drug Regulatory Laboratory, Kathmandu.
5. SAARC Regional Support Unit, Kathmandu
6. Foot and Mouth Disease and TADs Investigation Laboratory, Kathmandu.

7. National Avian Disease Investigation Laboratory Chitwan
8. Animal Quarantine Office, Kakadbhitta
9. Animal Quarantine Office, Biratnagar
10. Animal Quarantine Office, Janakpur
11. Animal Quarantine Office, Birganj
12. Animal Quarantine Office, Bhairahawa
13. Animal Quarantine Office, Nepalganj
14. Animal Quarantine Office, Kathmandu
15. Animal Quarantine Office, Gaddachauki
16. Central Fisheries Promotion and Conservation Center, Kathmandu.
  - A. Fisheries Human Resource Development and Technology Testing Center, Janakpur.
  - B. Natural Reservoir Fish Promotion and Conservation Center, Hetauda
  - C. Pure Breed Fish Conservation and Promotion, and Resource Center Bhairahawa
17. National Livestock Resource Management and Promotion Office, Hariharbhawan
18. National Animal Feed and Livestock Quality Management Laboratory, Hariharbhawan
19. National Livestock Breeding Office, Pokhara
20. National Livestock Breeding Office, Lahan
21. National Livestock Breeding Office, Nepalganj
22. Rhizobium and Forage Seeds Laboratory, Janakpur
23. Genetic Resource Centers / Farms
  - A. Yak Genetic Resource Center, Syangboche.
  - B. Cattle Genetic Resource Center, Jiri
  - C. Sheep Genetic Resource Center, Pansaykhola
  - D. Goat Genetic Resource Center, Budhitola
  - E. Forage Seeds Genetic Resource Center, Ranjitpur

The DLS's organizational structure and organizations under it are detailed in Annex 1 and 2.

In addition, there are directorates, expert centers, livestock farms, and Sections for livestock services at the provincial and local levels.

*Note: The data in the 'Livestock Population and Production' section was compiled using information provided by various livestock-related organizations. In addition, a number of papers and publications have been considered. For more consistency and accuracy, the data has been triangulated and validated, which may cause some of the statistics to differ.*

a. Fry			273100				338056	
* Seed production is calculated as the total number of fry production ** Hatchling distributed by the public sector is used for fry production by the private sector considering 30% contribution by public and 70% contribution by the private sector in total fry production *** Fingerlings are converted to fry by just doubling their total number
